Subject: Send a letter: #SaveSheikhJarrah - protect Palestinian families and stop Israeli ethnic cleansing in Jerusalem!

Body:

Friend,

I wrote a letter for the Action Network letter campaign: #SaveSheikhJarrah - protect Palestinian families and stop Israeli ethnic cleansing in Jerusalem!.

Palestinian Jerusalemite families are facing imminent forced eviction from their homes by illegal Israeli settlers, backed by the Israeli state. The attack on Sheikh Jarrah is part and parcel of the ongoing and systematic ethnic cleansing targeting Palestinians in Jerusalem and is part of the ongoing Nakba. Join Al-Awda, the Palestine Right to Return Coalition, to call on members of Congress to save Sheikh Jarrah. Four Palestinian families have been ordered by an Israeli district court to leave their homes by May 2 or face forced eviction, while three more families have been ordered evicted by August. We need to receive as many signatures and letters as possible in April to make it clear that this eviction must not be allowed to take place! The U.S. provides Israel with over \$3.8 billion annually in military assistance, directly implicating the United States in Israeli crimes throughout occupied Palestine, including the assault on
